

## Vishinski Calls For Peace Pact Of Big Five

### Big Powers Skeptical Of His Sincerity

New York, Sept. 23—(AP)—Soviet Foreign Minister Andrei Y. Vishinski called for a peace pact among the Big Five powers today.

The other big powers were immediately skeptical of Russian sincerity.

American Delegate Warren R. Austin issued a two-sentence statement to the press: "It is the same propaganda as before. As for the proposal for a five power pact, I must have more information of its substance before commenting."

Britain, France and China were equally skeptical.

In an unusually mild speech notable for what he did not say, Vishinski ignored President Truman's announcement in Washington that the United States has evidence of an atomic explosion in Russia.

Vishinski's major policy speech for Russia in the United Nations assembly also made no mention of Secretary of State Dean Acheson's comment that Mr. Truman's disclosure would bring no change in American policy.

The Russian omitted all reference to the Tito-Stalin feud and refused to be drawn into a quarrel with the Nationalist Chinese government, which yesterday accused Moscow of directing and aiding Chinese communists.

Vishinski dismissed the China charge as slanderous.

Vishinski made the familiar blase at the Western powers, especially the United States and Britain, but he used on a high note of peace.

1. Condemn preparations for a new war he said were being made in the United States and Britain.

2. Condemn further delays in adoption by the U. N. of treaties for the "unconditional prohibition" of atomic weapons and for international control of atomic energy.

3. Call on all nations to settle their disputes peacefully and for the United States, Britain, China, France and the Soviet Union to conclude among themselves a pact for the strengthening of peace.

Mr. Truman's atomic announcement in Washington at noon-time hit the U. N. Assembly with tremendous impact.

In a written comment, Assembly President Carlos P. Romulo said every effort must be made to end the atomic deadlock in the U. N.

U. N. Indispensable

Secretary-General Trygve Lie in a written statement said: "If it is true, then the United Nations is more indispensable than ever before."

Delegates tensely discussed the implications and sat back to hear what Vishinski had to say.

Acheson did not comment on the speech.

Less than an hour before Vishinski made his 34-minute speech, Acheson had met reporters in the assembly's steering committee chamber. He said he assured the Russians had made a weapon which has exploded. He said this government had expected that sooner or later this would take place and declared the United States is determined to keep up strong efforts for peace in the world.

## FEW Union Asked To Call Strike At Chicago Plant

Chicago, Sept. 23—(AP)—A union official asked the CIO Farm Equipment Workers union today to authorize a strike at the Chicago Tractor Works of the International Harvester company.

Wildcat walkouts already have shut down the plant. The walkouts forced the closing today of Harvestco's Farm plant in Rock Island, Ill. FE members also have left their jobs at a Harvester plant in Louisville, Ky.

Charles Lawson, FE district president in the Chicago area, addressed his plea for strike authority to FE President Grant Oates. He said: "The speedup on piece work and the resultant wage cuts at the tractor plant have made it necessary that the Tractor Works local strike to secure a wage increase, pensions and a health and welfare program."

An FE spokesman said the authority undoubtedly will be granted. And he hinted the strike may spread to other Harvester plants.

## CASE OF THE BEFOULLED THIEF

Cleveland, Sept. 23—(AP)—The thief who broke into the automobile of George N. Morrow, Birmingham, Ala., is a man probably is still trying to figure things out.

He took two men's suits and two dresses. But the garments have no tags. They were made for use by undertakers in clothing bodies.

## No Developments Yet In Steel Peace Talks

Pittsburgh, Sept. 23—(AP)—The nation's five biggest steel producers plunged into new contract bargaining with the CIO United Steelworkers today in an effort to prevent a nationwide strike.

No decisions were announced. More confabs were scheduled for Monday.

Negotiators are working against a strike set to begin October 1 unless satisfactory agreements are reached on pensions and insurance programs. Tension mixed with uncertainty over the situation is blamed for wildcat walkouts which have closed two Pittsburgh steel plants and idled 2,300 workers.

Lowell Thomas

Injured In Tibet;  
Thrown By Horse

New York, Sept. 23—(AP)—Lowell Thomas has been thrown from a horse and seriously injured in the wild mountains of Tibet.

His office said today that the U. S. Air Force has been asked to rescue the 57-year-old newsreader and author, who is carrying a message from the Dalai Lama to President Truman.

A radio message from Thomas said the accident occurred in a 17,600-foot-high Himalaya pass three days after he and his son, Lowell, Jr., 25, left the Tibetan capital and "Forbidden City," Lhasa.

Thomas, the message said, was carried by mule for six days through canyons and rivers to the remote town of Gyantse, where an Indian doctor treated him but had no X-ray facilities and could not make a final diagnosis.

A postscript by the Broadcaster's son said Thomas was in great pain and he would be unable to proceed for 12 or 15 days.

## PMW Will Not Pay Pensions To Those Retired Before '46

Springfield, Ill., Sept. 23—(AP)—Progressive Mine Workers today rejected a resolution urging immediate payment of pensions from their welfare fund to members who retired before June 1, 1946.

John Marchiondo, PMW president, said the union will do everything humanly possible to extend benefits to such miners but that it could not be done at once.

He also said there is a legal question whether the PMW can pension its miners who retired before June 1, 1946, because that is the date when the contract setting up welfare program. But we don't intend to break the program. That is what some people want."

## Head-On Collision Of Two Autos Kills Four, Hurts Three

Danville, Ind., Sept. 21—(AP)—A head-on collision of two cars killed four persons near here tonight.

Three others were severely injured and taken to Indianapolis hospitals. The dead were:

Miss Laura Jean Evans, 58, North Salem, Ind.

Miss Elizabeth Waters, 30, North Salem, Ind.

Donald Dwyer, Ronchdale, Ind.

Miss Doris June Hewitt, Riverton, Ill.

The injured all in Indianapolis Methodist hospital, are Mary Lee, Phyllis Stewart and Margaret Louis Cox, all of North Salem.

State police said that Miss Hewitt was riding alone at the time of the collision, which made much of the two cars when they met on U. S. 36 three and one-half miles east of here.

The car which Dwyer was driving was a pool car, in which the six rode from their homes to jobs in Indianapolis.

The law collection of the U. S. Library of Congress, comprising more than 600,000 books and pamphlets, is one of the largest and finest in the world.

INDICTED FOR MURDER  
El Paso, Texas, Sept. 23—(AP)—A grand jury today indicted Capt. Joseph Phillips of Alton, Ill., on a charge of murder in the slaying of Vernon Hooper, El Paso bartender.

Sept. 6, Hooper had been dining Phillips' estranged wife, Phillips, 35, was an officer at Biggs air base here.

## 'Little Hoover' Group For Illinois Is Rounded Out

Springfield, Ill., Sept. 23—(AP)—The "Little Hoover" commission to study ways of streamlining state government in Illinois was rounded out today with appointment of three members by Governor Stevenson.

The seven-man group, made up of four republicans and three democrats, will seek methods of rooting out waste, inefficiency, duplicating services and muddled administrative practices.

Its recommendations will go to the 1951 General Assembly. Stevenson named two republican business executives along with a Northwestern university law professor, a democrat who until recently was on his advisory staff.

The businessmen are James S. Knudson of Hinsdale, board chairman and president of the Stewart-Warner Corporation, and Donald S. Funk, Springfield, president of the Sangamo Electric company.

The other appointee is Walter V. Schaefer, Lake Bluff, who took a leave of absence from teaching duties to help the governor on legal and legislative problems during the 1949 session.

## Truman Tells America That Russia Has Atomic Bomb

### Europe Shudders But Is Optimistic

London, Sept. 23—(AP)—War-ravaged Europe reacted with a shrug and a shudder tonight to news that Russia has successfully staged an atomic explosion.

But there was also a note of optimism. The British government said that it had expected other nations would eventually develop atomic energy. It added that this probability had always been taken into account.

A spokesman chimed in with the observation President Truman's view that the need for effective international control was underlined by the Russian accomplishment.

Chassis Registered In France  
In Paris French Defense Minister Paul Ramadier indicated that more than one atomic explosion which might have come from Russia has been registered in France.

"It is not the first time that suspected atomations have been registered, notably in France," he told a reporter.

"It is the moment to intensify the application of the military clauses of the Atlantic pact," he added.

In Germany, where ghost cities stand as evidence of the destructiveness of ordinary bomb blasts, reaction was mixed. Berlin's Soviet-controlled radio carried the announcement without comment.

Some German scientists were astonished. Nobel prize winner Max von Laue was openly incredulous.

"How can anyone know whether the Russians have the bomb or not?" he asked.

Says R Good News  
But another Nobel winner, Prof. Otto Hahn, said the news was good news. He drew a parallel between atomic energy and poison gas. During the last war both sides refrained from using gas, knowing that each side had it. He said it would be the same way with atomic bombs.

"If both the United States and Russia have it, there will be no war," he said.

Germany's politicians were less optimistic. Jacob Kaiser, a member of the West German cabinet, said that if it were true, efforts to solve the world's problems have been made no easier.

A spokesman for the extreme right wing said the news was "highly regrettable." But, he added, it should serve as an alarm for the United States.

At the Vatican, a spokesman for Pope Pius XII recalled the appeal His Holiness had made to scientists more than a year ago to turn their weapons of "brute force" into instruments of peace.

This appeal still holds true today, the informant said.

A spokesman for the Italian defense ministry in Rome received the news without surprise.

"We never have entertained any illusions that Russia would not produce the atomic bomb," he said.

## Black Panther Loose In Indiana

Indianapolis, Sept. 23—(AP)—A black panther was reported loose in south Indianapolis tonight.

Police headquarters received an alarm that the beast, considered the most treacherous of the big cats, had escaped from a Cole Brothers' circus truck.

Two squads of city police, armed with machine guns, joined Sheriff James Cunningham and three deputies with riot guns.

## Says Key Reds In U.S. Are Now Underground

Washington, Sept. 23—(AP)—The House Un-American Activities committee indicated today that key communists in Washington have gone underground and are trying to infiltrate the government.

It put that idea into a foreword to a pamphlet in which it published testimony taken by the committee this summer on communism in the District of Columbia.

The foreword noted "how closely the communist network in the District of Columbia was interlocked and interwoven." It said communists' fronts and communists' controlled unions employ Reds on their staffs.

It said communists supply these organizations with money and "a nucleus of active membership."

The committee said, "The communist organization here, the committee said, may be considered one of the most important units of the American Communist party because of its location in the national capital. The committee declared that members of a secret communist spy ring which operated within the government a few years ago could not have carried on its activities or evaded detection without the aid of Red agents working outside the government."

Long ago, the committee said, the Communist party showed its membership cards to members employed in strategic spots. That makes it more difficult, it said, to detect the party membership of such people.

"It is known," the committee said, "that a large number of persons who were card holders in the Communist party have gone underground. Underground members of the Communist party of the District of Columbia are not necessarily in the government service; however, the infiltration of government employees is still considered one of the most important objectives of the communist apparatus."

The committee described the Washington Cooperative Bookshop as one of the party's most important fronts in Washington. It said the bookshop still operates although two attorney generals have listed it as subversive.

On receiving the wire, the girl's parents notified the sheriff at Waterloo. He contacted Chicago officials who went to the address listed on the girl's telegram. It was a west side Western Union office.

After a short wait, detectives saw the couple drive up in an automobile which they said Warner told them he stole in Waterloo the day of his escape. Warner had been serving a year term for auto theft at the time.

The pair told police they had been living in the automobile for the last three days.

## Man, Operated On For Cancer, Shot By His Daughter

Stamford, Conn., Sept. 23—(AP)—A police sergeant, operated on for cancer, was shot and critically wounded in Stamford hospital tonight by his daughter. Police Chief John B. Brennan reported.

The chief said the daughter "didn't want him to suffer."

The surgeon, Carl Paignt, 30, underwent surgery this morning, the chief said, and his daughter, Carol, about 20, shot him with his service revolver while visiting him at the hospital tonight.

Chief Brennan said Paignt, a veteran of 28 years service in the department, was in critical condition and was not expected to live. The daughter collapsed after the shooting and was put to bed in the hospital, he said.

## Who Wants To Be 'Miss Helleat?'

Alameda, Calif., Sept. 23—(AP)—Found—A beauty contest going begging for a beauty.

The winner, if anybody ever enters, will be queen for the Alameda Helleat of the U. S. naval station here. She will get an expenses paid week-end trip to one of California's best vacation spots.

She also would be known as "Miss Helleat."

Community boss said "the atomic bomb is no longer a secret."

June 4, 1949—President Truman said the United States would use the bomb again, if necessary.

## Says Atomic Explosion Reported

Washington, Sept. 23—(AP)—An atomic explosion has occurred in Russia—a fatal portent that the Soviets have broken the American A-Bomb monopoly on which the non-Communist world depended so heavily.

The historic news, comparable only in significance to the announcement of the Hiroshima blast of Aug. 6, 1945, was given to the world today by President Truman in these words:

"We have evidence that within recent weeks an atomic explosion occurred in the U. S. S. R."

He did not say it was an atom bomb (it exploded somewhere in the vast reaches behind the iron curtain. But Secretary of State Acheson said he assumed the blast was that of an atomic weapon—and there was every indication that the United States no longer is the sole possessor of the dread secret.

Does it mean World War III? High U. S. policy makers were of the view that it does not bring war any closer. For one thing they pointed out that the United States has a four-year headstart in atomic bomb manufacture. They figured that the Soviets would be wary of starting an atomic struggle in which retaliation could be so swift.

Commenting on the news, Gen. Omar Bradley, chairman of the joint chiefs of staff, said: "The calmer the American people take this the better."

"We have anticipated it for four years and it calls for no change in our basic defense plan."

Bradley himself spent part of the day playing golf.

The formal statement from the White House was couched in calm tones.

"Ever since atomic energy was first released by man, the eventual development of this new force by other nations was to be expected," the President said. "This probability has always been taken into account by us."

Calling Cabinet Session  
The statement, released after the chief executive had called his cabinet into an hour-long secret session, went on to say:

"This recent development emphasizes once again, if indeed such emphasis were needed, the necessity for that truly enforceable international control of atomic energy which this government and the large majority of the members of the United Nations support."

Russia and her satellite nations have balked at the American plan for control of the A-Bomb. Russia has urged a plan of her own, calling for the outlawing of the bomb and the destruction of all existing stocks.

In London, the British government quickly followed up the President's announcement with an almost identical statement. The British likewise urged the need for international control of the A-Bomb.

Mr. Truman's disclosure, though long anticipated, hit with a terrific impact in world capitals. Major international repercussions, with possibly a sharp change in the atmosphere of the east-west "cold war," were seen as inevitable.

On Capitol Hill, Senator McMahon (D-Conn.), chairman of the Senate-Home atomic energy committee, and several other members of Congress suggested now that the 11th hour has arrived for President Truman to meet with Premier Stalin.

## Say Five Youths Admit Burglaries

Woodstock, Ill., Sept. 23—(AP)—McHenry county authorities said today five youths were charged with burglary and a liquor store theft in the area.

A Sheriff Fred Bau said the boys in a signed statement related they took \$400 from the safe in the Chamber of Commerce at Harvard, Ill., Aug. 22, \$600 from the National Auto Parts Co. safe in Woodstock Aug. 12, and \$500 worth of liquor from the Ed Bauman tavern near Huntley.

Held to the grand jury on a charge of burglary and larceny are Gene Getzelman, Gerald Thornhill, and Lyle Warren, and Robert Ross. All are between 16 and 19.

## Charge Cashier Embezzled \$1,171

Chicago, Sept. 23—(AP)—William J. Lies, 35, auditor and assistant cashier of the National Bank of Aurora, Ill., was named today in an indictment charging embezzlement of \$1,171.

The indictment was returned in U. S. District Court.

Assistant U. S. Attorney Joseph E. Tobin said the bank shortage totals \$3,518, but the law of limitations prevents prosecution for the full amount. The shortage extends back to 1939, he said.

Tobin said Lies, who began working for the bank 23 years ago, took the money in small amounts by juggling customers' accounts while working as a relief teller.

Lies lives at 725 Grand Avenue, Aurora, with his wife and daughter, Margaret, 13. He denied the shortage was his fault and said bookkeeping errors were responsible.

## Evelyn Bernice Hills Weds J. Philip Morris

### Vows Exchanged By Local Couple Friday Morning

The Congregational church was the scene of a lovely wedding ceremony Friday morning at 10 o'clock when Miss Evelyn Bernice Hills, daughter of the late Mrs. Eula Hills of Jacksonville, became the bride of J. Philip Morris, son of Mrs. Bertha E. Morris of Los Angeles, Calif., and the late Oscar Morris.

The vows were pledged in a singeing service performed by Rev. W. H. Pankhurst before an altar banked with ferns, palms and baskets of white gladioli.

Preceding the ceremony, Mrs. Arthur Hecker, organist, played "To a Wild Rose," "Romance," and "Ah, Sweet Mystery of Life." The traditional wedding march was also used.

**Bride Wears Satin**  
The bride was attired in a two-piece dress of sandwood satin, styled with sweetheart neckline. She wore a matching hat and black accessories. Bronze clusters and yellow roses fashioned her corsage. As her only jewelry, she wore a rhinestone necklace and matching earrings, a gift of the bridegroom.

Mrs. Herbert Carter, sister of the bride, served as matron of honor. She wore a two-piece dress of copper

satin, with matching hat and black accessories. Her corsage was of yellow clusters and tulleman roses. Serving as best man was George Lukeman, Jr. The guests were seated by Richard Lukeman and Harry Lee Hall.

**Reception At Club**  
Following the ceremony, a reception was held at the Jacksonville Country club, decorated for the occasion with ferns, white gladioli and pink rose buds.

A three-tiered wedding cake, topped with miniature bride and groom, centered the bride's table. Mrs. George Lukeman, Sr., Mrs. Reiman Hills and Mrs. Elmore Suter assisted at the reception.

The couple left immediately on a wedding trip through Canada. For her going-away ensemble, the bride chose a gray suit with black accessories and the corsage from her wedding dress.

Mrs. Morris attended the local schools and was graduated from Jacksonville High school. Her husband was graduated from Jacksonville High school and Illinois college.

## J. H. S. Students Elect Delegates To "Y" Committee

Representatives from each of the four classes of Jacksonville High have been chosen to serve as a committee to plan activities for high school night at the Y.M.C.A. Youth Center and for special week-end events at the "Y."

A boy and a girl were chosen from each class, along with alternate delegates. Those selected were Lee Zienback and Alce Crabtree for the freshman class, with Fred Goodie and Frances Marshall as alternates; Gaylord Spotts and Beth Armin, sophomore delegates, with Eric Lair and Marjorie Carter as alternates; Ronald Gano and Mary Suttles, junior delegates, with Henry Jackson, Bobbett Hankala and Shirley Beavers, alternates; and Charles Grant and Marilyn Lacey, seniors, with Bob Brown and Pat Hughes as alternates.

The representatives and alternates will meet twice monthly, or more often if necessary, with the "Y" secretary, Paul Hartman.

The elections were conducted under the supervision of John Agger, principal, and the home room teachers.

## 6 Local Teachers Go Saturday To State Conference

Six Jacksonville public school teachers will participate in a state conference for Illinois classroom teachers all day Saturday at Decatur. The annual meeting is sponsored by the Affiliated Teachers Association of Illinois, which is a section of the Illinois Education Association.

The theme for the conference is "Unity in Diversity: A Design of Our Profession." This is a theme used in state conferences of teachers throughout the nation in 1949-50.

Miss Thelma Olson, of Peoria, President of the ATA, will preside, assisted by the other officers, including vice-president John M. Holm, of Jacksonville high school.

Philip Wardner, of Garden City, N. Y., president of the Department of Classroom Teachers of N.E.A., will speak at the banquet Saturday night.

Miss Mary Van Horn, of Indiana, North Central Regional Director of the Classroom Teacher Department, N.E.A., will be the luncheon speaker.

Local teachers who will attend the conference include Miss Barbara S. Hart, Washington grade school, president of the Jacksonville Education Association; Miss Olive Venters, Lafayette; Mrs. Clara Williams, Franklin; Miss Irene Groves, high school; and Miss Elsie Evans, high school dean of girls, who will be a reporter for the discussion group on recruitment of teachers. Miss Evans is the adviser of the Future Teachers Club in the Jacksonville high school.

Some 500 teachers are expected to attend the session. Seventy-two local associations will be represented at the afternoon business meeting.

## Judges To Name Six Winners In Poster Contest

Students of public schools in the Jacksonville area are awaiting the outcome of the poster contest sponsored by the Illinois State Employment Service, in cooperation with the Illinois Chapter of Disabled American Veterans and American Legion, in behalf of National Employ the Physically Handicapped Week.

The six local winners selected will then be entered in the statewide finals in Chicago during the week, October 2-8. Judges of the Jacksonville area contest are: Miss Margaret Schoedack, Mrs. Dorothy Frank and Miss Katherine Toussaint.

Three winners and two honorable mentions will be selected from each of two classes, Class I (10th, 11th and 12th grades), and Class II (7th 8th and 9th grades). Caldwell reported.

L. N. Caldwell, manager of the Jacksonville office of the Illinois State Employment Service, said the six local winning entries will be on display in the lobby of the world's largest commercial office building, Chicago's Merchandise Mart, along with competing entries from elsewhere in the state. The final judging will take place on October 4, and the creators of the six top entries will receive a two-day all-expense trip to Chicago, contributed by the Illinois Chapter of the Disabled American Veterans, as well as other prizes.

## 14 Architectural Prints Exhibited By Camera Club

The Jacksonville Camera club's September Salon, Meet was given over to the subject of architecture. Fourteen fine prints were presented in this group. The judging was done by the group as a whole, with Bob Matthews placing first with 86 points out of a possible 100. Second went to Hank Reinders, with 85 points out of a possible 100. Third, Bob Matthews, with fourth going to Jack Matthews.

The color section on the same subject was taken by C. L. Knatzner with 94 out of a possible 100. Second also went to Mr. Knatzner with 83 out of a possible 100. Third place was taken by Hank Reinders and fourth, Knatzner.

The Camera club's next meeting will be a lecture meeting Tuesday, October 4, at 8 p.m. at Jones Chapel, Illinois College.

## Health Program Given For Club At Murrayville

A program on health was given Wednesday afternoon at the meeting of the Murrayville Domestic Science club, which was held at the home of Mrs. Arthur Seymour.

Mrs. J. T. Warcup, health chairman, read an article relating to her subject and also presented a report on the Morgan county health program.

The pledge to the flag was led by the hostess, Mrs. M. J. Benscotter led in the collect. A duet, "Cust Thy Bread Upon the Waters," was sung by Mrs. Benscotter and Mrs. Vincent VanHorn.

Fifteen members responded to roll call, the topic of which was "Looking Ahead for the Future." The program was closed by Mrs. Henry Simmons. One new member, Miss Mary Swagerty, was accepted. Refreshments were served by the hostess.

## Rev. Bohn Is Reelected Moderator By Baptists

Rev. Ben A. Bohn, pastor of the White Hall Baptist church, was re-elected moderator of the West Central Baptist Association at an election of officers held at the close of the annual meeting of the organization, Wednesday at the Baptist church in Roodhouse.

Other officers elected were Rev. H. L. Janvin, pastor of the Roodhouse Baptist church, vice moderator; Mrs. Lida Thomas of Roodhouse, clerk; Mrs. Mary Goff of Ashland, treasurer; Rev. Richard Shewmaker of Alton, representative of Hudson Home; Rev. F. V. Wright, pastor of the Winchester Baptist church, custodian, and Rev. Laurel Grigg, pastor of the Carrollton Baptist church, obituarist.

Rev. Gerald Groty, pastor of the Jerseyville Baptist church, was named to the ordination committee succeeding Rev. F. V. Wright of Winchester. Mrs. Roy Reynolds was named to the committee on Christ-

ian education, succeeding Mrs. Leola Henry of Jerseyville.

Over 200 persons attended the meeting. Day speakers were Rev. Richard Shewmaker, Rev. G. E. Frealey, Rev. Leland M. Roth, Dr. David Andrew Weaver, Rev. Gerald Groty, the Rev. Arnold Wake, Miss Lea Blanche Edgar, Miss Joan Devening, Rev. John Scott, John S. Winter and Henry Day. The soloist for the afternoon program was Mrs.

A delegation of over 300 persons attended the young people's program and banquet Tuesday evening. The speaker of the evening was Rev. Clair Malcomson pastor of the First Baptist church in Jacksonville. His topic was "My Disposition." Special music for the service was by the choir of the Manchester church.

The newly-elected officers of the Young People's organization, who were installed Tuesday evening by the Rev. John Scott, area director, are Miss Jeanette Fritz, Bethel, president; Miss Joan Campbell, Win-

chester, north vice president; Miss Virginia Bohn, White Hall, south vice president; Morris Elliott, Kemper, secretary; Theo Loy, Bethel, treasurer; Bob Wyatt, White Hall, reporter, and Rev. Ray Owen, reporter.

Where Sixty Minutes  
Seem but Half an Hour!

DISTANCE isn't the only thing which passes swiftly when you sit at the wheel of a 1949 Cadillac. So does time!

You rest your hand on the beautiful steering wheel and press your foot—ever so lightly—against the obedient throttle. . . and you're off on a wonderful journey.

Your ride is free and easy and restful. You just sit—and relax—and enjoy the scenery—and the companionship of those about you. Conversation is

as easy as if you were sitting in your own drawing room—for the car is so quiet you can hear the soft ticking of the electric clock.

The labor of driving is almost nonexistent. The big powerful motor moves you in and out of traffic as if by automatic propulsion. Steering is little more than a response to your wish. Brakes are light to the touch and velvety-smooth in action.

You are as relaxed and care-free as the happy passengers around you.

For you do little more than the thinking—and the car does the rest. And then a familiar landmark looms in the distance. Can it be that you are there?

You look at the clock and you look at the speedometer—and, surely enough, the time and the distance have passed, and your journey is over.

Better come in and see for yourself that—when you sit at the wheel of a Cadillac—sixty minutes seem but half an hour!

# Blueboys Battle Millikin Eleven To 6-6 Deadlock

## I.S.D. Eleven Christens '49 Season, Host To Carrollton Club Today

Art Yates' ISD gridiron hussies open the door on their season football schedule when they throw out the welcome mat to Carrollton's Hawks for a game slated to start at 2:30 p.m. today. The Tigers open a seven-game card on their home grounds located at the west end of school proper.

Head Coach Yates revealed yesterday that he has been grooming a 30-man squad for the past three weeks in preparation for the Tigers' home opener. In the ISD senior's own words, "we've been hitting pretty hard for the last week, and are in top condition for the game."

The ISD eleven is still seeking an opponent for Oct. 14 or 15. Boasting only a seven-game schedule, the west enders are idle Oct. 14.

**Line Averages 151 Pounds**  
In announcing his starting lineup for today's debut, Yates pointed out that his forward line, averaging 151 pounds and his backfield, at 147 pounds, is considerably heavier than his '48 eleven which ranked fifth in the nation among dead grid

teams. Still, his club's weight hardly ranks par with other prep elevens. The invading Carrolltonites come into Jacksonville with one game under their belt already this season. The Hawks, fielding a big, rough line, and speedy backfield, fought to a 13-13 tie with Marquette of Alton last week.

The right side of the Tiger line is spiced with a pair of veteran performers, Jim Villani at right end and Irvin Carlisle at right tackle. Robert Leibold, right guard, won his letter as a reserve lineman last season. The center starting post is a toss-up between Homer Nunes and Freshman Robert Montford. Nunes will probably get the nod because of experience.

**Merriman At Left Guard**  
Don Merriman, a Jacksonville boy, is back in his old spot at left guard. He is one of the seven returning regulars from last year's club that Yates is depending on to carry ISD to another successful season. Jerry Tuchman, left tackle, also boasts experience. Teddy Zuziak was nominated to flank the left end of the Tiger line.

Hard hit by graduation, the Tiger backfield will present only one regular returnee from '48. Alta Hood, left halfback is back for his second year of varsity competition. The three new backfield choices show Bruno Franco at quarterback, Gilbert Paul, right halfback and Carl Briggs, fullback. Paul won his numerical with limited service last season. Briggs, ineligible last year, will probably carry the bulk of the ball-carrying load.

The lightweight Tigers will be heavily outweighed by the visitors, but Coach Yates, relying on four years past experience with west end athletes, knows that his ball club will make up in fight what it lacks in bulk.

Although the split enabled the front-running Yanks to maintain their two game American league edge over the Boston Red Sox, the opening defeat was costly. The Red Sox now are only two games out in the all important lost column. The Sox, who entertain the Yanks in the opener of a two-game series tomorrow, were idle.

The Yanks lost the first game in the 10th inning when Tommy Henrich and George Stinewell allowed pitcher Sid Hudson's fly to drop between them with two out and the bases loaded.

Lefty Joe Page was the victim of Henrich and Stinewell's Alfonso Gaston let.

It was quite a pitcher's battle between the Yanks Vic Raschi and Right Buxton and Washington's Ace Scarborough until the seventh inning. Raschi was hurt in the fourth and Buxton worked the fifth and sixth.

**White Sox Whip Brownies 4 To 1**

Chicago, Sept. 23 — (AP) — Randy Gumpert pitched a four-hitter for his 13th victory as the Chicago White Sox defeated the St. Louis Browns, 4-1, before a ladies' night turnout of 3,497 tonight. Catcher Eddie Malone paced the Chicagoans' 12-hit assault with four safeties—a triple, double and two singles.

Gumpert missed a shutout when Les Moss opened the St. Louis third with his 10th home run. Thereafter the Chicago veteran allowed only three scattered singles.

Chicago moved in front with two runs in the home half of the same round.

Philly's safe hunt, his steal of second and Moss' throwing error were blended with Cass Michaels' single for Chicago's third run in the fifth.

After Al Papal showed up to pitch for St. Louis in the Chicago eighth, the White Sox added their final run. Krsnich scored this on a force play mixed with singles by Malone and Gumpert.

**GOPHERS OPEN SEASON WITH WASHINGTON**

Minneapolis, Sept. 23 — (AP) — A heavier and speedier Minnesota football team meets Washington's Huskies in the Gopher schedule opener tomorrow.

From all indications Head Coach Bernie Bierman will put on the field one of the heaviest lines ever seen at Minnesota. There is added beef in the backfield, too.

The line will average close to 219 pounds. In the backfield the weights run between 162 pounds for Bill Bye at left half to Jim Maloney, holding down quarterback with 194 pounds, for an average of about 190 pounds.

## Irish Try For 4th Undefeated Season Against Indiana U.

South Bend, Ind., Sept. 23 — (AP) — Notre Dame's football team launches a quest for a fourth straight undefeated season and the 29th Irish start without loss against Indiana university tomorrow.

An expected capacity crowd of 56,000 at Notre Dame stadium figures to see the Irish victoriously test a remodeled eleven against a sturdy, but outclassed Hoosier team.

Concerned over later dates with such foes as Tulane, North Carolina, Southern California and Southern Methodist, Coach Frank Leahy will have an eagle eye on new Irish Quarterback Bob Williams and a re-buttressed forward wall.

Last season, at Bloomington, Ind., Notre Dame walloped Indiana, 42-6. But then, the Irish had tricky Frank Tripuckas calling signals and such other standout performers as Guards, Bill Fischer and Marty Wendell, tackle Jack Fallon, center Bill Walsh, Halfback Terry Brennan and fullback John Faneli. They are all gone now.

**Roodhouse Grabs 21-0 Non-Loop Win From White Hall**

White Hall—The Roodhouse Railroaders rolled to a 21-0 victory over White Hall's Maroon eleven here last night.

Although both clubs are members of the Illinois Valley conference, the fray was not marked in league standings. The two elevens will meet in league competition later this year.

Roodhouse quarterback Ranson sparked the winners. He broke loose for touchdowns in the third and fourth quarters to pace his team. His tackles were chalked up on long punt returns, the first good for 40 yards and the second going 65.

Johnny Bess, Roodhouse fullback, broke away for several long gallops also. He skirted end for the third Railroad touchdown late in the fourth quarter. Bess also made good the three conversions on line plunges.

Neither team was able to score in the first half, all the TD's coming in the third and fourth frames. Roodhouse badly outclassed White Hall in the first down department, gaining 15 to the hosts 5.

**The Lineup:**

## Crimsons Gain 12-12 Tie With Winchester

Winchester — Bob Kraushaar's Jacksonville high school Crimson eleven battled to a standstill at Winchester last night as the Scott county club held them in check to gain a 12-12 tie.

The knotty situation left both elevens still looking for a win. Winchester failed in their debut at Hannibal last week while the Crimsons were losing 20-0 to Pittsfield.

The Crimsons started strong, capturing the opening kickoff after it bounded off the chest of a Wildcat lineman deep in Winchester territory. Bruce Samore scored on a reverse from 35 yards out. The conversion kick failed.

The Wildcats piled back into the ball game immediately in the first quarter, climaxing a long scoring drive with a spinner that worked from the 8 yard line. The Wildcats added another notch to the county when a blue clad back intercepted Crinson Halfback Billy Sabatini's pass and scooped 80 yards for a touchdown. Winchester led 12-0 at halftime.

Sabatini evened up the count for the Jacks early in the fourth quarter when he counted from the Winchester six. Jess Meado set up the second Crinson score with a 40 yard dash.

The Jacks were plagued with penalties throughout the battle. A touchdown ramble by Maylon Baldwin was nullified when a Crinson was detected offside.

The J.H.S. lineup—Ends—Gothall and Myers; Tackles—Becker and Chapman; Guards—Rhodes and Kemp; Center—Nunes; Quarterbacks—Sommer and Campbell; Halfbacks—Meado, Samore and Sabatini; Fullbacks—Baldwin and Smith.

**MU Battles Ohio State Today**

Columbus, Ohio, Sept. 23 — (AP) — Missouri's Tigers battle Ohio State's Bucks Saturday in the finale of a nine-game series, hoping to avenge last year's 21-7 setback.

Coach Don Faurot's "Old Missouri" squad has only a 13-13 tie in 1946, and seven defeats, to show for its efforts against the Bucks, and the Missouri mentor said today he thought his boys "would be lucky to make it a game" with the Ohioans this time.

The contest, season inaugural for each squad, is expected to attract 65,000.

**CHICAGO GRAIN FUTURES LOWER**

Chicago, Sept. 23 — (AP) — Brokers couldn't get very excited about grain futures trading today and prices were lower most of the time.

Corn started firm, and then moved off fractionally. The December contract showed independent firmness at times on buying influenced by a higher cash market.

There was little in the news to interest traders, and many were on the sidelines waiting new developments.

Receipts were: wheat 36 cars, corn 93, oats 32, rye 3, barley 78, soybeans 26.

Soybeans rallied strongly near the finish and closed 1 to 1 1/2 cents higher. November \$2.26 1/2-22 1/2.

Wheat closed 1/4 to 5/8 lower than the previous finish December \$2.12 1/2, corn was unchanged to 1/8, December 66 1/2, rye was 1/4 off to 3/4, December \$1.43, and hard was 1/4 to 1/2 cents a hundred pounds lower, October \$1.92-93.

**WILLIAMSON'S 1ST TEAM GOES TODAY**

Madison, Wis., Sept. 23 — (AP) — Coach Ivy Williamson fields his first Wisconsin football team tomorrow in the annual intra-state opener against Marquette.

Williamson's Badgers, largely on the strength of 20 victories in the 24-game series between the schools, are favored. Marquette trounced North Dakota State, 68-0, in its opener a week ago. Wisconsin has had no game action.

A crowd of 40,000 is expected for the 1:30 p.m. (CST) kickoff. The weather forecast is for fair and cool.

## Illini Opens Its Season At Home Against Iowa State

Champaign, Sept. 23 — (AP) — Illinois' uncertain football squad opens its season against one-tested Iowa State before an expected 50,000 spectators at Memorial Stadium tomorrow.

Iowa State, Big Seven conference member, pummeled Dubuque 64-0 in the Cyclones' opener last week. In two previous encounters, Iowa State held Illinois to a 12-12 deadlock and dropped a 7-0 decision.

Illini's chances of cutting a Big Ten swath this season rest mainly on the performances of key sophomores, including starters Johnny Karras, right halfback; Chuck Ulrich, left tackle; and Chuck Studley, left guard; and backfield replacements Ronnie Clark, Dick Raklovits, Don Stevens and Bob Rylowicz.

**Jerseyville Club Shuts Out Benld Eleven 13 To 0**

Jerseyville—The Jerseyville high school gridiron battlers shut out Benld's prep eleven 13-0 in a benefit contest at Jersey last night.

Jim Thurston tallied first for the Jerseyville winners when he tore 91 yards on a cut-back play. He also kicked the extra point to give his club a 7-0 edge at halftime.

Bridgewater climaxed an 80-yard Panther touchdown drive in the fourth quarter when he pushed over tackle on a quick opener to score. The kick for conversion was no good.

The win gave Jerseyville a 1-1 record for the season. They dropped their opener to Roxana in a 21-4 ball game last week. The Jerseyville open Illinois Valley conference play next week when they meet Greenville at Jerseyville.

**Cotton Ends U.S. Threat Of Taking British Pro Golf**

Tadworth, Eng., Sept. 23 — (AP) — Henry Cotton today gained personal revenge for his 1947 Ryder cup humiliation by decisively ending the American threat to the British professional golfers' championship.

The 42-year-old Englishman outlasted Johnny Palmer of Badin, N.C., to win his quarter-final match, 2 up. Then he played Lloyd Mangrum of Chicago into submission in the semi-final, 4 and 2.

Both his victims were members of this year's victorious American Ryder cup team, and Mangrum also helped beat the British 11 to 1 when Cotton was captain two years ago.

Cotton defeated Palmer with excellent golf, touring the par 72 Watlington Heath course in 67. He had lost some of his sharpness by afternoon but had enough left to subdue Mangrum.

Cotton will meet Dai Rees of Wales for the title over 36 holes tomorrow.

**CHICAGO LIVESTOCK MARKET REPORT**

Chicago, Sept. 23 — (AP) — Prices on live hogs sagged another 25 to 50 cents lower and sheep steady to 15 cents less.

Good and choice butcher weight hogs sold from \$16.50 to \$20.2 and a top of \$20.50. Sows were mostly \$15.50 to \$17.25. Clearance was good.

Average good and better grades of steers and heifers were practically absent in the scant closing of the week's trade. Odd head of good and choice steer yearlings made \$26 to \$30 and odd wood cows sold up to \$12.50, the same price as the most for sausage bulls. Vealers topped at \$27.

High-choice Colorado lambs topped at \$23.25, although natives were scarce and mostly \$22.50 and below. Weasels sold at \$2.50 and less.

Receipts included an estimated 4,400 hogs, 1,000 cattle, 200 calves, and 1,000 sheep.

**IOWA ELEVEN MEETS UCLA BRUINS TODAY**

Iowa City, Ia., Sept. 23 — (AP) — An international football battle here tomorrow brings UCLA of the Pacific Coast Conference to open the University of Iowa football season before an expected crowd of 47,000.

The Bruins of UCLA will be the first to visit team to invade the Hawkeye line in 41 years of college football. UCLA already has scored an impressive 35-13 victory over Oregon State.

Iowa will start an all-veteran lineup, led by the shifty running of Left Halfback Don Fryatt.

**600 Fans Greet Bums On Return**

New York, Sept. 23 — (AP) — A shouting crowd of 600 fans greeted the Brooklyn Dodgers when they landed at LaGuardia Field today after a flight from St. Louis, where they won two out of three games from the Cardinals.

"I feel pretty good," said Burt Shotton, manager of the National League. "I don't care what the Cards do from here on in. All I know is we have to win."

As a result of their 19-6 victory over the league leaders yesterday, the Dodgers will go into tomorrow night's game against Philadelphia at Ebbets Field only one-half game behind the Cards.

## Local Collegians Score In Third Period To Tie Decatur Bunch

Illinois College's football coming out party ended on a medium happy note last night as Al Miller's club fought to a 6-6 deadlock with James Millikin University under the J.H.S. bulbs.

It was a dog fight all the way as the two elevens, bitter rivals in every sport, battled to gain a victory in their '49 football debut. Millikin, tallied in the second period to hold a halftime advantage, 6-0. However, the Hilltoppers, undaunted, struck back in the third period to knot the count. The clubs locked horns in a scoreless fourth quarter tangle to end the game all tied up.

Besides being the initial game of the season for the collegians, the tussle also marked the opening CCI conference game.

**DeLaPaz Carries The Ball**  
If any outstanding player could be spotted among the fighting Blueboys, the nod would probably go to John DeLaPaz, swarthy speedster down from Chicago, for his first season with the Hilltoppers. Big Jim Spunk was his old self as a tackle post although he was playing for the first time in his college career without the assistance of twin-brother Sam in the other tackle spot.

Millikin's scoring drive started on the Blueboy 30 yard marker early in the second chapter. The fatal jaunt started after Don Shroyer, Big Blue halfback, intercepted one of Bob Grove's aerials and set the Decaturites in scoring position.

A Millikin pass, Monahan to Dronetz, traveled 26 yards and landed on the IC 10 yard marker. Don Shroyer ripped through right tackle to lay the ball on IC's two-foot line. Monahan sneaked over from his quarterback post to tally for Decatur. A kick for extra point was wide.

After the halftime intermission Illinois College started a bitter 92 yard march that landed them in pay-dirt and a 6-6 tie.

**DeLaPaz And Gross Shine**  
With DeLaPaz skirting the ends and big Bill Gross blasting through the Millikin line for consistent 3 to 5 yard gains, the Blueboys rolled down the field.

Bob Grove changed his strategy at midfield and faded to complete a 20-yard toss to Gross to set the locals up on the Decatur 23 yard marker. Grove sneaked through the middle for 10 yards. DeLaPaz and Gross carried the ball on line smashes. Gross' last try ending on the one-foot line. Big Bill was sloped at the line of scrimmage for no gain on his next try. Bob Grove slipped over center Paul Lasley's back to

**Northwestern Will Meet Purdue In Big Ten Opener**

Evanston, Ill., Sept. 23 — (AP) — Opening their seasons and the Big Ten championship race simultaneously, Rose Bowl champion Northwestern and formidable Purdue will clash before an estimated 45,000 football fans at Dwyer Stadium tomorrow.

Northwestern, missing only a few regulars from last year's club, is rated in the same title contention bracket with defending champion Michigan, Minnesota and Ohio State.

Principal Wildcat losses are Center Alex Sarkisian and Halfback Frank Aschenbrenner, both graduated, and injured End Chuck Hagmann.

Purdue's chances of tripping the Cats were lessened considerably by injury this week to Halfback Harry Sautsbork, league-leading runner, and injured End Chuck Hagmann.

**CHICAGO LIVESTOCK MARKET REPORT**

Chicago, Sept. 23 — (AP) — Prices on live hogs sagged another 25 to 50 cents lower and sheep steady to 15 cents less.

Good and choice butcher weight hogs sold from \$16.50 to \$20.2 and a top of \$20.50. Sows were mostly \$15.50 to \$17.25. Clearance was good.

Average good and better grades of steers and heifers were practically absent in the scant closing of the week's trade. Odd head of good and choice steer yearlings made \$26 to \$30 and odd wood cows sold up to \$12.50, the same price as the most for sausage bulls. Vealers topped at \$27.

High-choice Colorado lambs topped at \$23.25, although natives were scarce and mostly \$22.50 and below. Weasels sold at \$2.50 and less.

Receipts included an estimated 4,400 hogs, 1,000 cattle, 200 calves, and 1,000 sheep.

**IOWA ELEVEN MEETS UCLA BRUINS TODAY**

Iowa City, Ia., Sept. 23 — (AP) — An international football battle here tomorrow brings UCLA of the Pacific Coast Conference to open the University of Iowa football season before an expected crowd of 47,000.

The Bruins of UCLA will be the first to visit team to invade the Hawkeye line in 41 years of college football. UCLA already has scored an impressive 35-13 victory over Oregon State.

Iowa will start an all-veteran lineup, led by the shifty running of Left Halfback Don Fryatt.

**600 Fans Greet Bums On Return**

New York, Sept. 23 — (AP) — A shouting crowd of 600 fans greeted the Brooklyn Dodgers when they landed at LaGuardia Field today after a flight from St. Louis, where they won two out of three games from the Cardinals.

"I feel pretty good," said Burt Shotton, manager of the National League. "I don't care what the Cards do from here on in. All I know is we have to win."

As a result of their 19-6 victory over the league leaders yesterday, the Dodgers will go into tomorrow night's game against Philadelphia at Ebbets Field only one-half game behind the Cards.

## Jerseyville Club Shuts Out Benld Eleven 13 To 0

Jerseyville—The Jerseyville high school gridiron battlers shut out Benld's prep eleven 13-0 in a benefit contest at Jersey last night.

Jim Thurston tallied first for the Jerseyville winners when he tore 91 yards on a cut-back play. He also kicked the extra point to give his club a 7-0 edge at halftime.

Bridgewater climaxed an 80-yard Panther touchdown drive in the fourth quarter when he pushed over tackle on a quick opener to score. The kick for conversion was no good.

The win gave Jerseyville a 1-1 record for the season. They dropped their opener to Roxana in a 21-4 ball game last week. The Jerseyville open Illinois Valley conference play next week when they meet Greenville at Jerseyville.

## Bluffs Methodist Church Entertains At Family Night

Bluffs — The Bluffs Methodist church regular family night was observed Wednesday at a pot luck supper with members of the Brooklyn, Ill., Methodist church choir as guests. The church dining room and auditorium was decorated with fall flowers.

The program consisted of a hymn by the congregation; prayer, Rev. Tucker; welcome, Janet Pedersen; and selections by Bluffs Methodist church choir with Lorraine Watson directing in the absence of Melvin Dahlhaus.

Vocal duet, Janice Smith and Donna Smith, accompanied by Miss Vera McCaleb; selections by the Brooklyn choir; three matinee songs by Florence Jane Erickson, accompanied by Mrs. W. A. Brackett; two selections from the choir; Psalm 48 read by Sandra Oakes; reading, "The Volunteer Organist," Oral Oakes; the benediction, the pastor, Rev. J. A. Tucker.

Of the numbers by the pastor, Max Vandiver sang the "Lord's Prayer" and Mr. Blackburn and Mrs. Lantz sang a duet.

For the past several weeks Wednesday evening has been observed as family night with a devotion, Bible study, choir practice, children's Bible dramatization, closing with a social hour. It is hoped to have several special nights such as the past week during the winter.

## Lioness Club Has Regular Meet At Dunlap Hotel

The regular monthly meeting of the Jacksonville Lioness Club was held Thursday evening in the banquet room of the Dunlap hotel, with 35 members present. Mrs. Harold Henderson presided.

Lionesses Ludwig and Wargal were in charge of the program for the evening and introduced Major Henri Serval, who spoke on "Problems of the Lioness." Plans were made for another attendance contest with Lionesses Katz and Long as captains.

A rummage sale was announced for Sept. 28 and 30 and a bake sale for Oct. 8.

The free meal was won by Lionesses Korschmeier, Long, and first. After this job has been completed the members will start laying the curb and gutter. Following this operation, the workers will return and start laying sidewalks.

It will take several weeks to complete the entire project, one of the largest projects Jacksonville has undertaken since the South Side sewer project.

Workers for the Illinois Power company have laid about a mile of new six-inch gas main during the past few weeks. With modern equipment used by the company, this work has proceeded rapidly.

## Yard Goods Will Be Collected For European Women

Many Jacksonville women will participate in a "Pieces For Peace" project this fall by collecting yard goods for women of European countries, who will make the materials into clothing. Details of the project in connection with World Community Day on Nov. 4 were discussed Wednesday during a meeting of the board of directors of the Jacksonville Council of Church Women, at State Street Presbyterian church.

Mrs. Reginald Harris of Trinity Episcopal church is chairman of "Pieces For Peace" project. She stated that the aim is to collect all yard goods possible, and send them through the Church World Service to women overseas, who will fashion them into needed garments.

Cotton, woollens or prints are most needed. Rayon is not recommended or those in charge. Yarn, floss, crocheted cotton, trimmings, curtain material and pieces for patchwork quilts are needed. Mrs. Harris explained. Women overseas need also the tools with which to work—needles, thread, tape, scissors. Instructions as to how to pack these materials will be given the women's organizations in each church. The completed bundles are to be taken to the community meeting on World Service Day.

After a one o'clock covered dish luncheon, a business meeting of the board of directors was conducted by Mrs. Daniel Kerr, president.

The Council sponsors several community church meetings during the year—World Community Day in November, World Day of Prayer in March, mission study during Lent, and a May Fellowship meeting.

## Bluffs Man Speaks On 'Lightning' At Scott Forum Meet

Winchester — Fred Korte of Bluffs was the principal speaker at a meeting of the Scott County Research Forum No. 24 held at the home of Charles Shively of Winchester this week. Following a 6:30 o'clock dinner and the regular business meeting, Mr. Korte presented a paper entitled "Lightning, Its Origin, Characteristics, and Effects."

The chief source of lightning, it was stated, is the familiar summer thunderstorm, which creates its name from the sounds resulting from its electric discharges. Lightning also has been observed in the dust, steam, and gas clouds arising from volcanoes in eruption, in dense smoke clouds over large fires, in the dust of deserts, and in clear skies, probably from charged bodies of air which drifted near each other, or near the earth.

In his description of the different forms of lightning and their effects, Korte gave a technical description of their electrical background, the cause and effect of the damage they sometimes cause, and some of the protective measures that may be used.
